

How to get a Great Table at California Club Events

1. Join the club! For only \$20, members get priority and a \$5 discount every month
2. Reserve early! Tables are assigned on a first come first served basis. We start accepting reservations at the previous month's dinner dance. Place your form with payments in the yellow Reservations box or mail your requests to the Post Office Box listed. **Telephone and e-mail reservations are not accepted.**
3. If you want to sit with your friends, send your reservations together. Enclose all checks with your reservation. We cannot make your reservation until all checks are received.
4. The deadline for reservations, cancellations or changes is the Wednesday prior to the Tuesday dinner-dance. However, we often sell out before the deadline.
5. All efforts will be made to give you a desirable table location.
